

ENERGY STAR[®] Manufactured Homes

Utility Support and Participation

March 1, 2018

The following is a regional list of utility incentives for homes certified by the Northwest Energy Efficient Manufactured Housing Program (NEEM) as ENERGY STAR or Eco-rated™ homes. The NEEM Program updates this list periodically, but utility incentive programs can change at any time. Please contact the serving utility to confirm the incentive listed is correct and currently available.

As is noted for some utilities on this list, incentives offered by Bonneville Power Administration customer utilities are subject to change or expiration at the end of every September - which may impact the availability of utility incentives.

IDAHO

Utility	Incentive	Utility Contact
Albion, City of <i>Albion</i>	\$1,200 to the home buyer, rebate expires 9/30/2017 – pre-approval required	Chris Seibold 208-679-2222 cseibold@unitedelectric.coop
